ANNUAL GENERAL MEETING

Dear Shareholder,

At this Annual General Meeting the Company will seek approval from its Shareholders on the following matters: (i) receiving the Annual Accounts; (ii) the re-election of certain Directors, (iii) the re-appointment of KPMG Channel Islands Limited as auditors of the Company; (iv) authorising the Directors to agree the auditors' remuneration; (v) authorising the Company to acquire Shares; (vi) conferring a limited authority on the Directors to issue Shares and/or securities convertible into Shares and (vii) adopting the Amended Articles as the Articles of Association of the Company. Each matter is summarised below, along with a description of what you need to do to exercise your votes, and our recommendation as to how you should vote.

Receiving the Annual Accounts

Pursuant to Article 36.6 of the Existing Articles, the Annual Accounts have been distributed to the Shareholders with the Notice of Annual General Meeting. The Annual Accounts will be laid at the meeting and the Shareholders will be asked to resolve to receive the Annual Accounts.

Re-electing the Directors

The Directors of the Company will retire and, other than Noam Ben-Ozer, Peter Linneman, Karine Ohana and Thomas Wernink who will not stand for re-election, will offer themselves for re-election at the Annual General Meeting. Directors' biographies can be found on the Company's website, www.aere.com. The Board is satisfied that all of the Directors standing for re-election continue to perform effectively and demonstrate commitment to their role.

Re-appointment of KPMG as auditors of the Company

Pursuant to Article 113(3) of the Companies (Jersey) Law 1991, the Company is seeking approval from the Shareholders to re-appoint KPMG Channel Islands Limited as auditors of the Company.

Auditors' Remuneration

In connection with the re-appointment of KPMG Channel Islands Limited as auditors of the Company, the Company is also seeking approval to authorise the Directors to agree the auditors' remuneration. The Company keeps the level of audit fees under regular review to ensure that they remain competitive.

Acquisition by the Company of Shares

On 11 May 2016 the Shareholders approved an authority for the Company to make market purchases of up to 50 million Shares within the limitations imposed by Shareholders in the approval resolution. That authority will expire at the Annual General Meeting.

The Board is seeking a general authority for the Company to buy-back Shares within a limit of 50 million Shares within the terms of the authority set out in Proposed Resolution 10 which provides for a minimum purchase price (exclusive of expenses) of €0.01 per Share and a maximum purchase price (exclusive of expenses) of an amount equal to the EPRA Net Asset Value ("EPRA NAV") per share last published by the Company prior to the date on which the Shares are contracted to be purchased. The authority will expire at the conclusion of the Annual General Meeting of the Company in 2018 unless it is varied, revoked or renewed prior to such time by a special resolution of the Company in a general meeting, and in any event no later than 25 October 2018. The Company may also conclude a contract to purchase Shares under the authority prior to the expiry of such authority which will or may be completed wholly or partly after such expiry, and may make a purchase of Shares in pursuance of any such contract as if the authority had not expired.

The Directors have no present intention to make such purchases but consider it prudent to retain the ability to do so on an opportunistic basis, as an aspect of capital management, subject to prevailing market conditions and alternative demands on capital. The Directors will only exercise the authority if such exercise would in their opinion be in the best interests of the Company.

Shares acquired may be cancelled or held by the Company as treasury shares. The Directors may dispose of treasury shares in accordance with the requirements of applicable legislation.

During the year ended 31 December 2016, no Shares were purchased by the Company. As at 6 April 2017 (the latest practical date before publication of this document), the Company had purchased no Shares pursuant to the authority to make market purchases conferred by Shareholders at the general meeting on 11 May 2016.

Authority to issue Shares

The Directors may issue additional Shares and/or securities convertible into Shares only with the authority of Shareholders or as otherwise contemplated in the Memorandum and Articles. The existing Shareholders authority will expire at the Annual General Meeting.

Proposed Resolution 11 sets out the terms of a proposed approval from Shareholders to authorise the Directors to issue up to a maximum of 75 million Shares which represents approximately 20 per cent. of the Company's issued shares as at the date of this Circular. This authority also permits the issue by the Company of securities convertible into Shares, provided that the Shares resulting from the conversion of such securities (when aggregated with all other Shares issued pursuant to the authority) shall not exceed the aforementioned threshold of 75 million Shares. The authority set out in Proposed Resolution 11 is intended to provide the Board with authority to issue Shares (or securities convertible into Shares) to allow flexibility to support the Company's commercial objectives through equity finance in suitable circumstances. The authority will expire at the conclusion of the Annual General Meeting of the Company in 2018 unless it is varied, revoked or renewed prior to such time by a special resolution of the Company in a general meeting, and in any event no later than 25 October 2018. In addition, the Directors may make an offer or agreement pursuant to this authority prior to the expiry of this authority which would or might require Shares or securities convertible into Shares to be issued after the expiry of this authority and the Directors may issue Shares or securities convertible into Shares pursuant to that offer or agreement as if the authority had not expired.

Adopting Amended Articles

Pursuant to Proposed Resolution 12, the Company is seeking adopt the Amended Articles to replace the Existing Articles.

The changes are being made to amend the Existing Articles to ensure a proper and efficient operation of the Board, particularly with regard to the changes to alternate Directors, maximum number of Directors and the ability and time period to call meetings.

Board meetings and Directors (Articles 20.1, 21.1, 21.5, 21.6, 25.5, 29.2, 29.6 and 37.1)

The Amended Articles amend the provisions of the Existing Articles relating to Board composition, Board meetings, alternate Directors and appointment of Directors. The Amended Articles (i) reduce the maximum size of the Board to seven, (ii) provide that an alternate Director must be an existing Director or a person resident in Jersey, may be an alternate for multiple Directors and may vote once on each Board resolution in respect of himself and each Director he is an appointed alternate for, (iii) permit persons to be proposed for election as Directors by a Shareholder or Shareholders together holding not less than ten per cent. of the voting rights of the Company, and (iv) provide that Board meetings may be called by three Directors or the Chairman, and that notice must be in writing.

The Amended Articles update the provisions of the Existing Articles that relate to the retention and destruction of certain documents. New Article 40.2 provides the Board with the power to control and prevent the destruction of such documents.
